MESSAGE FROM THE FINANCE COMMISSION

The following Message from the Finance Commission of Texas was read and was filed with the Secretary of the Senate:

THE FINANCE COMMISSION OF TEXAS

February 9, 1983

Honorable Betty King
Secretary of the Senate
P. O. Box 12068 - Capitol Station
Austin, Texas 78711

Dear Secretary King:

Enclosed is a report by the Banking Section of the Finance Commission of Texas pursuant to Article 3, Chapter I, of the Texas Banking Code, and which law requires copy of the report to be filed with you.

Sincerely,

/s/Archie P. Clayton
Secretary

THE FINANCE COMMISSION OF TEXAS

RESOLUTION AND REPORT

WHEREAS, Article 3, Chapter I of The Texas Banking Code of 1943, requires the Banking Section of the Finance Commission of Texas to make a thorough and intensive study of the Texas banking statutes with a view to so strengthening said statutes as to attain and maintain the maximum degree of protection to depositors and stockholders, and make a report to the Legislature of the results of the study, together with its recommendations, and

WHEREAS, the Banking Section of the Finance Commission has made a thorough and intensive study of the Texas Banking Laws and found them to be effective in maintaining a strong state banking system.

NOW THEREFORE BE IT RESOLVED that the Banking Section of the Finance Commission make the following recommendations to the Sixty-Eighth Legislature to improve the ability of state chartered banks to compete in today's market:

1. Article 8, Chapter II, Texas Banking Code (hereinafter referred to as TBC) should be amended to allow the Banking Commissioner to assess an annual fee from state chartered banks in addition to the examination fee now authorized.
2. Article 9, Chapter II, TBC, should be amended to remove the signatory requirements for Call Reports from the statute.
3. Article 14, Chapter III, TBC, should be amended to clarify the limitations on the authority of a state bank to change its domicile.
4. Articles 1, 1a, and 2, Chapter V, TBC, which relate to the authority of state banks to invest in real estate, should be repealed, so that the Banking Section of the Finance Commission may use its rule making authority to determine the authority state banks should have in investing in real estate.
5. Article 4, Chapter V, TBC, which relates to limitations on loans secured by real estate, should be repealed so that state banks may make loans secured by real estate in the same manner that they make loans secured by other types of collateral.
6. Article 7, Chapter V, TBC, which relates to liability limit of state banks should be amended to exempt loans which are secured by U.S. Government Obligations or segregated own-bank deposits.
7. Article 9b, Chapter V, TBC, which requires bank officers to report their borrowings, should be repealed to remove an unnecessary regulatory burden.

8. Article 6, Chapter VI, TBC, should be amended to remove the cash reserve requirements for state banks since regulatory practices have made such requirements obsolete.
9. Article 3, Chapter VIII, TBC, relating to the closing of state banks, should be amended to omit the procedure regarding an appeal to the State Banking Board since the procedure is no longer used.
10. Article 5, Chapter VIII, TBC, relating to the contest of the liquidation of a closed state bank should be amended to limit the time the board of directors has to file suit against the Commissioner to two days, in order to provide better protection to depositors.
11. Article 3, Chapter IX, TBC, should be amended to authorize banks to establish loan production offices.
12. Article 342-951, Vernon's Texas Civil Statutes, which relates to the regulation of some mortgage banking companies should be repealed since it no longer serves any purpose.

BE IT FURTHER RESOLVED that the Secretary of the Finance Commission file a true and correct copy of this resolution and report with the Secretary of the Senate and the Clerk of the House of Representatives.
